Final Note by the Second Member of Council.

Subject:—

Presentation of an elephant to Sri Subrahmanyaswami Mutt in the Uppinangadi Taluq, South Canara District.

The Swamigalu of Sri Subrahmanyaswami Mutt at Subrahmanya in South Canara having requested in Srimukha dated 19th June 1923 that a tusker may be presented to the Mutt for services such as carrying Purnakumbha etc., in the Institution, the Agent of the Mutt was asked to produce references to show whether there was any similar presentation from the Mysore State in the past. He stated in reply that an elephant by name Rukmani had been presented to the Mutt by the Mysore State some time ago but it died and there were no references to show when exactly it was presented to the Mutt. He added that another elephant by name Chamundi was presented to the temple by the Government of Mysore between the years 1880 and 1894 and it is still in the service of the temple; but, as the Mutt, though endowed with Inam etc., from the Government of Mysore is without an elephant, he repeated the request for the grant of one.

2. The Conservator of Forests in Mysore, who was consulted in the matter, stated that the marginally noted elephants are available for

* 1.	Male	6 years	5' - 6"	...	Rs.2,250/-.
2.	"	3½ "	6' - 3"	...	" 3,000/-.

presentation to the Mutt, if required.

3. There are no references to show that Sri Subrahmanyaswami Mutt was ever presented with an elephant by the Mysore State. The present of an elephant to the Mutt practically amounts to making a present to the Mutt of about two or three thousand rupees which is the value of an elephant; and I am afraid that, in the present state of our finances, we cannot afford to make such a present.

4. The Dewan agrees with me in the above view. If approved by His Highness a reply will accordingly be sent to the Swamigalu regretting the inability of the Government to comply with his request.

24th July 1923.

OFFG: MEMBER OF COUNCIL.

Submitted to His Highness.

I submit herewith a Final Note by the SECOND Member of Council on the subject of the presentation of an elephant to Sri Subrahmanya Swami Mutt, in the Uppinangadi Taluk, South Canara District, for His Highness' gracious approval.

Please refer to your D.O. letter No.141 dated the 16th January 1924, enquiring with reference to my Submission Note of the 13th August 1923, whether a baby elephant captured at the last Kheddas can be presented to Sri Subramanyaswami Mutt in the Uppinangadi Taluk.

It is ascertained from the Conservator of Forects that there is no baby elephant available from among the lot captured at the last Kheddas as all of them have already been disposed of. He, however, reports that there are 3 or 4 trained elephants between 5 and 6 feet in height valued at Rs. 2,500 to ?,500 each. In view of the original Final Note of the Member, I doubt if any of these trained elephants can be given away free.
